

⑤ KODOKAN (弘道館)

Established in 1841 by Daimyo Tokugawa Nariaki (final shogun of the Edo era).

The place used to be the largest Han clan school of military arts, horseback riding, medicine and literature. You are able to see the classrooms where the lord studied, training grounds, living quarters and many more historical features.

There are bullet marks that can be observed on the pillars as a result of the final Mito clan battle in 1868, and embrace the beauty of over 800 plum trees spread all over at the garden.

Open Every Day 9:00am – 4:30pm

Fees: 200 yen Contact No: **029-231-4725**
